4344sqm, Quiet Street, Quality Build, Potential To Add Value!

Positioned on a very quiet street, backing onto a dense Australian flora and fauna is this 4344sqm block possesses this open plan four bedroom, two bathroom, four car parks property in Jimboomba with a further potential development or add value.

Located only moments away from public transport, shopping facilities, and proposed Burgeoning development this property features a quality interior and solid brick exterior. A great property for investors or owner occupier.

Including a range of amenities such as split system air conditioning, a colour bond roof with a Cool & Cosey insulation, tank and trickle feed water, Tavlex recycled septic system with grey water outlets and an abundance of natural wildlife, this property is destined to be snapped up quickly.
